AGREEMENT FOR MANAGEMENT SERVICES
between
LAKE FLORES COMMUNITY DEVELOPMENT DISTRICT
and
WRATHELL, HUNT & ASSOCIATES, LLC

THIS AGREEMENT FOR MANAGEMENT SERVICES (this "Agreement"), is made and entered into on this 4th day of March, 2022, by and between the **Lake Flores Community Development District**, hereinafter referred to as "DISTRICT", and the firm of **Wrathell, Hunt & Associates, LLC**, a Florida limited liability company, hereinafter referred to as "MANAGER".

WITNESSETH:

WHEREAS, the DISTRICT desires to retain the MANAGER to provide non-exclusive management, recording, assessment methodology and accounting advisory services for the DISTRICT, as required to meet the needs of the DISTRICT during the contract period; and

WHEREAS, the MANAGER desires to provide such services to the DISTRICT as more particularly described in this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants and agreements expressed herein, and other good and valuable consideration, the receipt and adequacy of which are hereby conclusively acknowledged, the parties hereto, intending to be legally bound, hereby agree as follows:

1. The DISTRICT hereby engages the MANAGER to provide the services more particularly described in Exhibit A attached hereto and incorporated herein by this reference (collectively, the "Services").
2. The DISTRICT agrees to compensate the MANAGER by payment of the fees (collectively, the "Fees") set forth in the fee schedule attached hereto as Exhibit B and incorporated herein by this reference (the "Fee Schedule"). The Fees, except as otherwise provided on the Fee Schedule, shall be payable in equal monthly installments on the first day of each month. The DISTRICT will consider price adjustments at the end of the fiscal year of the DISTRICT in effect upon the commencement of this Agreement and each succeeding twelve (12)-month period thereafter to compensate for market conditions and the anticipated type and scope of the Services to be performed during the next twelve (12)-month period. Accordingly, the Fees and the Fee Schedule shall be deemed increased at the end of the fiscal year of the DISTRICT in effect upon the commencement of this Agreement and thereafter annually at the end of each succeeding fiscal year to the extent approved in the annual budget adopted by the Board of Supervisors of the DISTRICT (the "Board"). In no event shall the Fees be increased

Wrathell, Hunt and Associates, LLC

to an amount which exceeds the amount of funds approved for the Services in the applicable budget adopted by the Board.

3. This Agreement shall become effective on the date set forth above and the term of this Agreement shall commence on such date and continue until this Agreement is terminated pursuant to the terms of this Section 3. This Agreement may be terminated as follows:
 - a) by the DISTRICT for "good cause", which shall include misfeasance, malfeasance, nonfeasance by the MANAGER, or failure of the MANAGER to perform the Services as required under this Agreement, if such misfeasance, malfeasance, nonfeasance or failure to perform the Services as required under this Agreement has not been cured within ten (10) business days after the DISTRICT has provided notice of same to the MANAGER (the "Cure Period"), upon providing ten (10) business days prior written notice to the MANAGER (which period shall not begin to run until the expiration of the Cure Period);
 - b) upon the dissolution or court-declared invalidity of the DISTRICT; or
 - c) by either party, for any reason, by providing sixty (60) days prior written notice to the other party.

Upon the termination of this Agreement, the MANAGER agrees to take all reasonable and necessary actions to transfer to the DISTRICT, or to such other party as directed by the DISTRICT, all the books and records of the DISTRICT in the MANAGER'S possession in an orderly fashion. The portion of the Fees and any other amounts due and owing to the MANAGER under this Agreement up to the effective date of the termination of this Agreement shall be due and payable immediately upon the termination of this Agreement. The DISTRICT'S obligation to make payment to the MANAGER of the portion of the Fees and any other amounts due and owing to MANAGER under this Agreement up to the effective date of the termination shall survive the termination of this Agreement.

4. The MANAGER shall devote such time as is reasonably necessary to perform the Services.
5. The MANAGER represents that it presently has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of the Services, as provided for in the standard set forth in Section 112.311, Florida Statutes. The MANAGER further represents that no person having any such interest shall be employed by the MANAGER to perform the Services or any portion thereof.
6. The MANAGER shall promptly notify the DISTRICT in writing of all potential conflicts of interest for any prospective business association, interest or other circumstance which may influence or appear to influence the MANAGER'S judgment or quality of the Services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, identify the nature of work that the MANAGER may undertake, if applicable, and request an opinion of the DISTRICT as to whether the

association, interest or circumstance would, in the opinion of the DISTRICT, constitute a conflict of interest if entered into by the MANAGER. The DISTRICT agrees to notify the MANAGER of its opinion within thirty (30) days of receipt of any notification by the MANAGER pursuant to this Section 6. If, in the opinion of the DISTRICT, the prospective business association, interest or circumstance would not constitute a conflict of interest by the MANAGER, the DISTRICT shall so state in its opinion, and in such event (i) the association, interest, or circumstance shall not be deemed to be a conflict of interest with respect to the Services provided to the DISTRICT by the MANAGER under the terms of this Agreement, and (ii) the Manager shall be free to pursue such prospective business association, interest or circumstance. The MANAGER shall be free to perform services similar to the type of services offered to the DISTRICT as part of the Services hereunder, and any other services, for any other special purpose taxing district, developer, landowner or otherwise. Nothing in this Agreement shall be deemed to prevent the MANAGER from performing such services, or any other services, for any other special taxing district, developer, landowner or otherwise and the providing of such services shall not constitute a conflict of interest under this Agreement.

7. The MANAGER agrees that all Services shall be performed by skilled and competent personnel.
8. The DISTRICT acknowledges that the MANAGER is not an attorney and may not render legal advice or opinions. Although the MANAGER may participate in the accumulation of information necessary for use in documents required by the DISTRICT in order to finalize any particular matters, such information shall be verified by the DISTRICT as to its correctness; provided, however, that the DISTRICT shall not be required to verify the correctness of any information originated by the MANAGER in connection with the Services.

No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof. The failure of either party to insist at any time upon the strict observance or performance of any of the provisions of this Agreement, shall not be construed as a waiver or relinquishment of the right to insist on the strict observance or performance of any or all of the other provisions of this Agreement. The failure of either party to exercise any right of remedy as provided in this Agreement, shall not impair any such right or remedy or be construed as a waiver or relinquishment of such right of remedy with respect to subsequent defaults. The provisions of this Section 9 shall survive the termination of this Agreement.

The CIP is intended to provide public infrastructure improvements for the lands within the District, which are planned for residential homes, commercial space and motel/hotel units.

A portion of the lands within the District may be sold to Florida Power & Light Co. and removed from the boundaries of the District ("FPL Parcel"). In such event, the FPL Tract would not benefit from nor be part of the District's CIP. The legal description for the FPL Tract is identified in **Exhibit B-2**.

The following charts show the planned product types and land uses for the District:

The following improvements constitute the CIP:

Off-Site Improvements

Off-site improvements to include water and sewer utility extensions as well as roadway improvements to include turn lanes. Impact fee credits may be available for the roadway improvements and will be determined when improvements are complete.

Stormwater Management System:

The stormwater collection and outfall system ("SWM System") is a combination of roadway curbs, curb inlets, pipe, control structures and open lakes designed to treat and attenuate stormwater runoff from District lands. The SWM System within the project discharges to unnamed ditch systems that flow to the Sarasota Bay. The SWM System will be designed consistent with the criteria established by the SWFWMD and the County for stormwater/floodplain management systems.

The District will finance, own, operate and maintain the stormwater system, with the exception that the County will own, operate and maintain the inlets and storm sewer systems within County right-of-way.

No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of mass grading of, or hauling fill for, lots.

Roadway Improvements:

The CIP includes subdivision roads within the District. Generally, all roads will be 2-lane undivided roads with periodic roundabouts. Such roads include the roadway asphalt, base, and subgrade, striping and signage and sidewalks within rights-of-way abutting non-lot lands. Sidewalks abutting lots will be constructed by the homebuilders. All roads will be designed in accordance with County standards.

All internal roadways may be financed by the District, and dedicated to Manatee County for ownership, operation, and maintenance. Alternatively, the developer may elect to finance the internal roads, gate them, and turn them over to a homeowners association for ownership, operation and maintenance (in such an event, the District would be limited to financing only utilities, conservation/mitigation and stormwater improvements behind such gated areas).

Impact fee credits may be available for the roadway improvements and will be determined when improvements are complete.

Water, Wastewater and Reclaim Utilities:

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure. In particular, the on-site water supply improvements include water mains that will be located within right-of-ways or utility easements and used for potable water service and fire protection. Water main connections will be made at multiple locations.

Wastewater improvements for the project will include an onsite 8"-12" diameter gravity collection system, offsite and onsite 6"-12" forcemain and onsite lift stations. The offsite forcemain connection will be made at multiple locations.

Similarly, the reclaim water distribution system will be constructed to provide service for irrigation throughout the community and will consist of 2"-10" irrigation mains. An offsite reclaim connection will be made at multiple locations.

The water and reclaim distribution and wastewater collection systems for all phases will either be acquired or constructed by the District and then dedicated to Manatee County for operation and maintenance. The District will not finance any laterals to private lots or commercial parcels.

Impact fee credits may be available for the roadway and utility improvements and will be determined when improvements are complete.

Hardscape, Landscape, and Irrigation:

The District will construct and/or install hardscaping, landscaping, and irrigation within District public common areas and public right-of-ways.

The County has distinct design criteria requirements for planting and irrigation design. Therefore this project will at a minimum meet those requirements but in most cases exceed the requirements with enhancements for the benefit of the community.

All such landscaping, irrigation and hardscaping will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in right-of-ways owned by the County will be maintained pursuant to a right-of-way agreement to be entered into with the County.

Street Lights / Undergrounding of Electrical Utility Lines

The District intends to lease street lights through an agreement with Florida Power and Light in which case the District would fund the street lights through an annual operations and maintenance assessment. As such, street lights are not included as part of the CIP.

The CIP does however include the differential cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by Florida Power and Light and not paid for by the District as part of the CIP.

Environmental Conservation/Mitigation

There are 36.76 acres of exotic wetland hardwoods/ freshwater marsh (FLUCCS 619/641), 0.51 acre of wetland forested mixed (FLUCCS 630), 0.43 acre of exotic wetland hardwoods/ wetland scrub (FLUCCS 619/631), 79.82 acres of other surface waters ditches, and 16.77 acres of other surface water ponds (FLUCCS 534) located within the project area for this permit. This permit conceptually authorizes permanent dredging and filling impacts to 23.78 acres of exotic wetland hardwoods/ freshwater marsh, temporary dredging impacts to 12.98 acres of exotic wetland hardwoods/ freshwater marsh (FLUCCS 619/641), temporary dredging impacts to 0.51 acre of wetland forested mixed (FLUCCS 630), permanent filling impacts to 0.07 acre of exotic wetland hardwoods/ wetland scrub (FLUCCS 619/631), and permanent dredging and filling impacts to 75.32 acres of other surface water ditches (FLUCCS 510). These impacts will require 27.85 acres of wetland creation/mitigation. The design and permitting of the wetland creation necessary has already been approved. The District will be responsible for the construction, maintenance, and government reporting of the environmental mitigation. These costs are included within the CIP.

Army Corps permit has been approved under permit #SAJ-2015-03799 (SP-JLC) for the whole site.

Recreational Amenities:

While not part of the CIP, the Developer intends to develop a number of residential amenities such as, but not limited to, Amenity Centers with Pool, Multi-Modal Trails and/or Playgrounds for the project, which would be financed by the Developer and owned and maintained by a homeowner's association as a common element for the benefit of the residential lot owners. Alternatively, and at the Developer's option, the District may finance, construct, acquire, operate and maintain the amenities or portions of the amenities as part of the CIP, and, as such, the amenities are included as part of the CIP for purposes of this report.

Professional Services

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

All of the foregoing improvements are required by applicable development approvals.

The following table shows who will finance, own and operate the various improvements of the CIP:

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

- GDP/Rezone - Approved (PDMU-14-20(Z)(G))
- Phase IA Mass Grading Construction Plan - Approved (PLN1910-0098)
- SWFWMD Wetland Determination - Approved (42042599.001)
- SWFWMD Phase IA ERP Permit - Approved (43042599.002)
- Army Corps of Engineers ACOE Permit - Approved (SJ*2015-03799(SP-JC))

5. OPINION OF PROBABLE CONSTRUCTION COSTS

Table 4 shown below presents, among other things, the Opinion of Probable Cost for the CIP. It is our professional opinion that the costs set forth in Table 4 are reasonable and consistent with market pricing.

***Impact fee credits may be available from roadway and utility improvements. The developer and the District will enter into an acquisition agreement whereby the developer may elect to keep any such credits, provided that consideration is provided to the District in the form of improvements, land or other consideration.

****Due to inflation and increased development timelines the contingency was increased from 10% to 20%

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in Manatee County, Florida, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals;
- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- The reasonably expected economic life of the CIP is anticipated to be at least 20+ years;

- The assessable property within the District will receive a special benefit from the portion of the CIP in the amounts set forth in Table 4; and

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and, subject to applicable District rules, will reasonably be available for use by the general public including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual public easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. Regarding any fill generated by construction of the CIP, and that is not used as part of the CIP, such fill will only be placed on-site where the cost of doing so is less expensive than hauling such fill off-site and at the developers expense if the disposition is on private land. Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, re-use water etc.) to support the development and sale of the planned residential units and commercial areas located within the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (the "Report") was developed to provide a master financing plan and a master special assessment methodology for the Lake Flores Community Development District (the "District"), located in unincorporated Manatee County, Florida, as related to funding the costs of public infrastructure improvements (the "Capital Improvement Plan") contemplated to be provided by the District.

1.2 Scope of the Report

This Report presents the projections for financing the District's Capital Improvement Plan described in the Engineer's Report prepared by ZNS Engineering, LLC (the "District Engineer") and dated February 15, 2022 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Capital Improvement Plan.

1.3 Special Benefits and General Benefits

Improvements undertaken and funded by the District as part of the Capital Improvement Plan create special and peculiar benefits, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's Capital Improvement Plan enables properties within its boundaries to be developed.

There is no doubt that the general public and owners of property outside the District will benefit from the provision of the Capital Improvement Plan. However, these benefits are only incidental since the Capital Improvement Plan is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the Capital Improvement Plan and this fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The Capital Improvement Plan will provide public infrastructure improvements which are all necessary in order to make the lands

within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the Capital Improvement Plan. Even though the exact value of the benefits provided by the Capital Improvement Plan is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Plan as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District will serve the Lake Flores development (the "Development"), a master planned, mixed-use development located in unincorporated Manatee County, Florida. The land within the District currently consists of approximately 1,178.36 +/- acres and is generally located south of Cortez Road West, north of El Conquistador Parkway, east of Tidy Island Boulevard and west of 47th Street West.

2.2 The Development Program

Based upon the information provided by the developer of land within the District (the "Developer"), the most current development plan envisions a total of 4,000 residential units and 94 net acres of mixed uses, which may include various retail/office commercial uses, multifamily uses and hotel uses, developed in one or more phases, although unit numbers, land use types and phasing may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Capital Improvement Plan

The Capital Improvement Plan needed to serve the Development is projected to consist of off-site utility and roadway improvements, roadways/curbing, stormwater management, utilities (water, sewer, reclaim), conservation/mitigation, hardscape/landscape/irrigation, electrical conduit undergrounding and recreational amenities, all as set forth in more detail in the Engineer's Report.

The Capital Improvement Plan is anticipated to be developed in one or more phases to coincide with and support the development of the land within the District and all of the public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another. At the time of this writing, the total costs of the Capital Improvement Plan are estimated at \$279,795,805. Table 2 in the *Appendix* illustrates the specific components of the Capital Improvement Plan and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of public capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded and constructed by the Developer and then acquired by the District or funded and constructed directly by the District. The choice of the exact mechanism for providing public infrastructure has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the entire Capital Improvement Plan as described in *Section 3.2* in one financing transaction, the District would have to issue approximately \$373,690,000 in par amount of Special Assessment Revenue Bonds (the "Bonds").

Please note that the purpose of this Report is to allocate the benefit of the Capital Improvement Plan to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Capital Improvement Plan. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of \$373,690,000 to finance approximately \$279,795,805 in Capital Improvement Plan costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvement and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$279,795,805. The difference is comprised of debt service reserve, capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify the structure of the Bonds as necessary.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the public infrastructure improvements which are part of the Capital Improvement Plan outlined in *Section 3.2* and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be paid off by assessing properties that derive special and peculiar benefits from the Capital Improvement Plan. All properties that receive special benefits from the Capital Improvement Plan will be assessed for their fair share of the debt issued in order to finance all or a portion of the Capital Improvement Plan.

5.2 Benefit Allocation

The most current development plan envisions the development of a total of 4,000 residential units and 94 net acres of mixed uses, which may include various retail/office commercial uses, multifamily uses and hotel uses, developed in one or more phases, although unit numbers, land use types and phasing may change throughout the development period.

The public infrastructure included in the Capital Improvement Plan will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and such public improvements will be interrelated such that they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Capital Improvement Plan have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion

of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

This Report proposes to allocate the benefit associated with the Capital Improvement Plan to the different product types proposed to be developed within the District in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within the District based on the densities of development and the intensities of use of infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes, smaller interior space sizes or lesser intensity of use will use and benefit from the improvements which are part of the Capital Improvement Plan less than products with larger lot sizes, larger interior space sizes or higher intensity of use. For instance, generally and on average products with smaller lot sizes, smaller interior space sizes or lesser intensity of use will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes, larger interior space sizes or higher intensity of use. Additionally, the value of the products with larger lot sizes, larger interior space sizes or higher intensity of use is likely to appreciate by more in terms of dollars than that of the products with smaller lot sizes, smaller interior space sizes or lesser intensity of use as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received from the District's public infrastructure improvements that are part of the Capital Improvement Plan.

Table 5 in the *Appendix* presents the apportionment of the assessment associated with the Bonds (the "Bond Assessments") to the product types contemplated to be developed within the District in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the Bond Assessments annual debt service assessments per unit.

No Bond Assessments are allocated herein to the public or private amenities or other common areas planned for the development. Such amenities and common areas will be owned and operated by the District and/or master homeowners' association. If owned by a homeowners' association, the amenities will be considered a common element for the exclusive benefit of property owners. Alternatively, if owned by the District, the amenities will be available for use by the public, subject to the District's rules and policies. Accordingly, any benefit to the amenities and common areas flows directly to the benefit of all property in the District. As such, no Bond Assessments will be assigned to the amenities and common areas.

5.3 Assigning Bond Assessments

As the land in the District is not yet platted (for the residential product types) or has not yet received development permits (for the non-residential product types) for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Bond Assessments will initially be levied on all of the land in the District on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$373,690,000 will be preliminarily levied on approximately 1,178.36 +/- gross acres at a rate of \$317,127.19 per gross acre.

When the land is platted or when it receives development permits, the Bond Assessments will be allocated to each platted parcel/each parcel which received a development permit on a first platted/first development permitted-first assigned basis based on the planned use for that platted/development permitted parcel as reflected in Table 5 in the *Appendix*. Such allocation of Bond Assessments from unplatted/non-development permitted gross acres to platted/development permitted parcels will reduce the amount of Bond Assessments levied on unplatted/non-development permitted gross acres within the District.

In the event unplatted/non-development permitted land (the "Transferred Property") is sold to a third party not affiliated with the Developer, the Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District's methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Report. The owner of the Transferred Property will be responsible for the total Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs

ultimately actually platted/development permitted. This total amount Bond Assessments is fixed to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total amount of Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the Methodology as described herein (i.e. equal assessment per acre until platting/development permit).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public improvements which are part of the Capital Improvement Plan make the land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Plan, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various product types from the improvements is delineated in Table 4 (expressed as the ERU factors).

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Plan.

Accordingly, no acre or parcel of property within the District will be liened for the payment of Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The Assessment Methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of ERUs may change. The mechanism for maintaining the methodology over the changes is referred to as true-up.

This mechanism is to be utilized to ensure that the Bond Assessments on a per ERU basis never exceeds the initially allocated assessment as contemplated in the adopted assessment methodology. Bond Assessments per ERU preliminarily equal \$84,692.41 (\$373,690,000 in Bond Assessments divided by 4,412.32 ERUs) and may change based on the final bond sizing. If such changes occur, the Methodology is applied to the land based on the number of and type of units of particular product type within each and every parcel as signified by the number of ERUs.

As the land in the District is platted (for the residential product types) or receives development permits (for the non-residential product types), the Bond Assessments are assigned to platted/development permitted parcels based on the figures in Table 5 in the *Appendix*. If as a result of platting/receipt of development permits and apportionment of the Bond Assessments to the platted/development permitted parcels, the Bond Assessments per ERU for land that remains unplatted/non-development permitted remain equal to \$84,692.41, then no true-up adjustment will be necessary.

If as a result of platting/receipt of development permits and apportionment of the Bond Assessments to the platted/development permitted parcels the Bond Assessments per ERU for land that remains unplatted/non-development permitted equals less than \$84,692.41 (for instance as a result of a larger number of units) then the per ERU Bond Assessments for all parcels within the District will

be lowered if that state persists at the conclusion of platting/receipt of development permits of all land within the District.

If, in contrast, as a result of platting/receipt of development permits and apportionment of the Bond Assessments to the platted/development permitted parcels, the Bond Assessments per ERU for land that remains unplatted non-development permitted equals more than \$84,692.41¹ (for instance as a result of a smaller number of units), taking into account any future development plans for the unplatted/non-development permitted lands – in the District's sole discretion and to the extent such future development plans are feasible, consistent with existing entitlements and governmental requirements, and reasonably expected to be implemented, then the difference in Bond Assessments plus applicable accrued interest (to the extent described below in this Section) will be collected from the owner(s) of the property which platting caused the increase of assessment per ERU to occur, in accordance with the assessment resolution and/or a true-up agreement to be entered into between the District and the Developer, which will be binding on assignees.

The owner(s) of the property will be required to immediately remit to the Trustee for redemption a true-up payment equal to the difference between the actual Bond Assessments per ERU and \$84,692.41, multiplied by the actual number of ERUs plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date (or such other time as set forth in the supplemental indenture for the applicable series of Bonds secured by the Bond Assessments).

In addition to platting of property and receipt of development permits within the District, any planned sale of an unplatted/non-development permitted parcel to another builder or developer will cause the District to initiate a true-up test as described above to test whether the amount of the Bond Assessments per ERU for land that remains unplatted/non-development permitted within the District remains equal to \$84,692.41. The test will be based upon the development rights as signified by the number of ERUs associated

¹ For example, if the first platting includes 100 SF 50' lots, which equates to a total allocation of \$8,469,240.67 in Bond Assessments, then the remaining unplatted/non-development permitted land would be required to absorb 479 TH, 313 Twin Villa, 304 SF 42', 479 SF 45', 1,135 SF 50', 955 SF 60', 235 SF 80', and 94 net acres of mixed-use or \$365,220,759.33 in Bond Assessments. If the remaining unplatted/non-development permitted land would only be able to absorb 479 TH, 313 Twin Villa, 304 SF 42', 479 SF 45', 1,133 SF 50', 955 SF 60', 235 SF 80', and 94 net acres of mixed-use or \$365,051,374.51 in Bond Assessments, then a true-up, payable by the owner of the unplatted/non-development permitted land, would be due in the amount of \$169,384.81 in Bond Assessments plus applicable accrued interest to the extent described in this Section.

with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

5.7 Preliminary Assessment Roll

Based on the per gross acre assessment proposed in Section 5.2, the Bond Assessments of \$373,690,000 is proposed to be levied uniformly over the area described in the Appendix "A". Excluding any capitalized interest period, debt service assessment shall be paid in thirty (30) annual installments.

5.8 Additional Items Regarding Bond Assessment Imposition and Allocation

This master assessment allocation methodology is intended to establish, without the need for a further public hearing, the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein. All such liens shall be within the benefit limits established herein and using the allocation Methodology described herein, and shall be described in one or more supplemental reports.

As set forth in any supplemental report, and for any particular bond issuance, the land developer may opt to "buy down" the Bond Assessment on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any "true-up," as described herein, may require a payment to satisfy "true-up" obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the developer to pay down Bond Assessment will not be eligible for "deferred costs," if any are provided for in connection with any particular bond issuance. For example, and pursuant to a CDD Commercial Development Agreement, the landowner of the commercial tracts may elect to finance its own public infrastructure – or the primary land developers may elect to provide certain infrastructure, work product or land at no cost to the District – in exchange for a reduction of debt assessments.

In the event that the CIP is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the special assessments, and the

District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE LAKE FLORES COMMUNITY DEVELOPMENT DISTRICT DECLARING SPECIAL ASSESSMENTS; DESIGNATING THE NATURE AND LOCATION OF THE PROPOSED IMPROVEMENTS; DECLARING THE TOTAL ESTIMATED COST OF THE IMPROVEMENTS, THE PORTION TO BE PAID BY ASSESSMENTS, AND THE MANNER AND TIMING IN WHICH THE ASSESSMENTS ARE TO BE PAID; DESIGNATING THE LANDS UPON WHICH THE ASSESSMENTS SHALL BE LEVIED; PROVIDING FOR AN ASSESSMENT PLAT AND A PRELIMINARY ASSESSMENT ROLL; ADDRESSING THE SETTING OF PUBLIC HEARINGS; PROVIDING FOR PUBLICATION OF THIS RESOLUTION; AND ADDRESSING CONFLICTS, SEVERABILITY AND AN EFFECTIVE DATE.

WHEREAS, the Lake Flores Community Development District (“**District**”) is a local unit of special-purpose government organized and existing under and pursuant to Chapter 190, *Florida Statutes*; and

WHEREAS, the District is authorized by Chapter 190, *Florida Statutes*, to finance, fund, plan, establish, acquire, install, equip, operate, extend, construct, or reconstruct roadways, sewer and water distribution systems, stormwater management/earthwork improvements, landscape, irrigation and entry features, conservation and mitigation, street lighting and other infrastructure projects, and services necessitated by the development of, and serving lands within, the District; and

WHEREAS, the District hereby determines to undertake, install, plan, establish, construct or reconstruct, enlarge or extend, equip, acquire, operate, and/or maintain the portion (“**Project**”) of the infrastructure improvements comprising the District’s overall Capital Improvement Plan (“**Assessment Area**”) of the District, as described in the *Engineer’s Report*, dated February 15, 2022, which is attached hereto as **Exhibit A** and incorporated herein by reference; and

WHEREAS, it is in the best interest of the District to pay for all or a portion of the cost of the Project by the levy of special assessments (“**Bond Assessments**”) on the Assessment Area, using the methodology set forth in that *Master Special Assessment Methodology Report*, dated February 23, 2022, which is attached hereto as **Exhibit B**, incorporated herein by reference, and on file with the District Manager at c/o Wrathell, Hunt and Associates, LLC, 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 (“**District Records Office**”);

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE LAKE FLORES COMMUNITY DEVELOPMENT DISTRICT:

1. **AUTHORITY FOR THIS RESOLUTION; INCORPORATION OF RECITALS.** This Resolution is adopted pursuant to the provisions of Florida law, including without limitation Chapters 170, 190 and 197, *Florida Statutes*. The recitals stated above are incorporated herein and are adopted by the Board as true and correct statements.

2. **DECLARATION OF ASSESSMENTS.** The Board hereby declares that it has determined to make the Project and to defray all or a portion of the cost thereof by the Bond Assessments.

3. **DESIGNATING THE NATURE AND LOCATION OF IMPROVEMENTS.** The nature and general location of, and plans and specifications for, the Project are described in **Exhibit A**, which is on file at the District Records Office. **Exhibit B** is also on file and available for public inspection at the same location.

4. **DECLARING THE TOTAL ESTIMATED COST OF THE IMPROVEMENTS, THE PORTION TO BE PAID BY ASSESSMENTS, AND THE MANNER AND TIMING IN WHICH THE ASSESSMENTS ARE TO BE PAID.**

- A. The total estimated cost of the Project is \$256,479,488 (“**Estimated Cost**”).
- B. The Bond Assessments will defray approximately \$342,575,000, which is the anticipated maximum par value of any bonds and which includes all or a portion of the Estimated Cost, as well as other financing-related costs, as set forth in **Exhibit B**, and which is in addition to interest and collection costs. On an annual basis, the Bond Assessments will defray no more than \$27,606,887 per year, again as set forth in **Exhibit B**.
- C. The manner in which the Bond Assessments shall be apportioned and paid is set forth in **Exhibit B**, as may be modified by supplemental assessment resolutions. The Bond Assessments will constitute a “master” lien, which may be imposed without further public hearing in one or more separate liens each securing a series of bonds, and each as determined by supplemental assessment resolution. With respect to each lien securing a series of bonds, the special assessments shall be paid in not more than (30) thirty yearly installments. The special assessments may be payable at the same time and in the same manner as are ad-valorem taxes and collected pursuant to Chapter 197, *Florida Statutes*; provided, however, that in the event the uniform non ad-valorem assessment method of collecting the Bond Assessments is not available to the District in any year, or if determined by the District to be in its best interest, the Bond Assessments may be collected as is otherwise permitted by law, including but not limited to by direct bill. The decision to collect special assessments by any particular method – e.g., on the tax roll or by direct bill – does not mean that such method will be used to collect special assessments in future years, and the District reserves the right in its sole discretion to select collection methods in any given year, regardless of past practices.

5. **DESIGNATING THE LANDS UPON WHICH THE SPECIAL ASSESSMENTS SHALL BE LEVIED.** The Bond Assessments securing the Project shall be levied on the Assessment Area, as described in **Exhibit B**, and as further designated by the assessment plat hereinafter provided for.

6. **ASSESSMENT PLAT.** Pursuant to Section 170.04, *Florida Statutes*, there is on file, at the District Records Office, an assessment plat showing the area to be assessed (i.e., the Assessment Area), with certain plans and specifications describing the Project and the estimated cost of the Project, all of which shall be open to inspection by the public.

7. **PRELIMINARY ASSESSMENT ROLL.** Pursuant to Section 170.06, *Florida Statutes*, the District Manager has caused to be made a preliminary assessment roll, in accordance with the method of assessment described in **Exhibit B** hereto, which shows the lots and lands assessed, the amount of benefit to and the assessment against each lot or parcel of land and the number of annual installments into which the assessment may be divided, which assessment roll is hereby adopted and approved as the District's preliminary assessment roll.

8. **PUBLIC HEARINGS DECLARED; DIRECTION TO PROVIDE NOTICE OF THE HEARINGS.** Pursuant to Sections 170.07 and 197.3632(4)(b), *Florida Statutes*, among other provisions of Florida law, there are hereby declared two public hearings to be held as follows:

NOTICE OF PUBLIC HEARINGS

DATE:	_____ , _____ , 2022
TIME:	_____
LOCATION:	_____

The purpose of the public hearings is to hear comment and objections to the proposed special assessment program for District improvements as identified in the preliminary assessment roll, a copy of which is on file and as set forth in **Exhibit B**. Interested parties may appear at that hearing or submit their comments in writing prior to the hearings at the District Records Office.

Notice of said hearings shall be advertised in accordance with Chapters 170, 190 and 197, *Florida Statutes*, and the District Manager is hereby authorized and directed to place said notice in a newspaper of general circulation within Manatee County (by two publications one week apart with the first publication at least twenty (20) days prior to the date of the hearing established herein). The District Manager shall file a publisher's affidavit with the District Secretary verifying such publication of notice. The District Manager is further authorized and directed to give thirty (30) days written notice by mail of the time and place of this hearing to the owners of all property to be assessed and include in such notice the amount of the assessment for each such property owner, a description of the areas to be improved and notice that information concerning all assessments may be ascertained at the District Records Office. The District Manager shall file proof of such mailing by affidavit with the District Secretary.

9. **PUBLICATION OF RESOLUTION.** Pursuant to Section 170.05, *Florida Statutes*, the District Manager is hereby directed to cause this Resolution to be published twice (once a week for two (2) weeks) in a newspaper of general circulation within Manatee County and to provide such other notice as may be required by law or desired in the best interests of the District.

10. **CONFLICTS.** All resolutions or parts thereof in conflict herewith are, to the extent of such conflict, superseded and repealed.

11. **SEVERABILITY.** If any section or part of a section of this resolution be declared invalid or unconstitutional, the validity, force, and effect of any other section or part of a section of this resolution shall not thereby be affected or impaired unless it clearly appears that such other section or part of a section of this resolution is wholly or necessarily dependent upon the section or part of a section so held to be invalid or unconstitutional.

12. **EFFECTIVE DATE.** This Resolution shall become effective upon its adoption.

PASSED AND ADOPTED this 4th day of March, 2022.

The Indenture shall be in substantially the forms thereof attached hereto and marked composite **Exhibit “A”** and hereby approved, with such changes therein as are necessary or desirable to reflect the terms of the sale of the Bonds as shall be approved by the Chairperson (or in his or her absence, the Vice Chairperson) executing the same, with such execution to constitute conclusive evidence of such officer’s approval and the District’s approval of any changes therein from the form of Indenture attached hereto.

The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as Exhibit C, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer’s request, authenticate such Bonds and deliver them as specified in such request. If the Issuer should change its name, no amendment shall be required to be made to this Master Indenture, any Supplemental Indenture or Bonds issued thereunder.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Unless otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, the principal of all Bonds shall be payable at the corporate trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called “Defaulted Interest”) shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special

Record Date therefor to be mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to such mailing, at his address as it appears in the Bond Register. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds.

SECTION 2.02. Execution. The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03. Authentication. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the "Bond Register" or "Register") in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee's corporate trust office in Fort Lauderdale, Florida

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the

Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for requisition of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office or agency. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York (“DTC”) and other

depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, telecopy or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants (“DTC Participants”) and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly (“Indirect Participants”). The DTC Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds (“Beneficial Owners”).

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through DTC Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successors. If the Issuer does not replace DTC, the Trustee

will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the corporate trust office of the Trustee.

ARTICLE V
ACQUISITION AND CONSTRUCTION FUND

SECTION 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid Costs of Issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) *Deposits*. In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) Payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) The balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) Deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and

(iv) Amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the Issuer and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the

Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund, as described in paragraph (c) below.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a consulting engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery of a Certificate of the Consulting Engineer to the Trustee and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

ARTICLE VI
SPECIAL ASSESSMENTS;
APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of

Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the foregoing paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures shall remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

The Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund on November 2 of each year which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for

each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Series Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given

pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee for use as provided herein and other than as provided in Section 11.04 herein, solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Series Supplement, be transferred from the Series Account or subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Series Supplement, either be transferred from the Series

Account of the Debt Service Reserve Fund to the applicable Series Account or subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account and one or more subaccounts within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account and any subaccount within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds, Accounts and any subaccounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account or subaccount within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may,

at the expense of and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII
SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for investments of the type specified in (iii) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund, any Series Account of the Debt Service Reserve Fund, and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which

the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid, the Trustee shall not be obligated to invest funds and the Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

ARTICLE VIII
REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the purchase price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Bonds of a Series may, as provided in a Supplemental Indenture, be subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) or (d) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled sinking fund installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;
- (e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any

partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

**ARTICLE IX
COVENANTS OF THE ISSUER**

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands while owned by the Developer prior to platting of such lands, unless the Trustee at the direction of the beneficial owners of a majority of Bonds Outstanding directs otherwise or the timing does not permit the use of the Uniform Method. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Indenture. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, is not required to collect Special Assessments pursuant to the Uniform Method in accordance with the provisions of this Section 9.04 or the District Manager determines that using the Uniform Method is not in the best interest of the Bondholders, the Issuer shall then and only under those circumstances pursuant to the applicable rules and procedures of the County, collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

SECTION 9.05. Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments.

(b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners.

(c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.

(d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds

of any such lease or sale into the related Series Account of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as Trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Owners of a majority of the Outstanding Bonds of a Series or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Beneficial Holders of a majority of the Outstanding Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid, unless such right has been waived. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is

necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the prepayment subaccount of the Bond Redemption Fund to be used together with such prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund).

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands

on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than “A” as to management and Class “V” as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. “Qualified Self Insurance” means insurance maintained through a program of self-insurance or insurance

maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions

relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

SECTION 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable reputation for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair

and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Information Required by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of the Project. The Issuer shall keep accurate financial records and books of account with respect to the Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

SECTION 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25. Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer..

SECTION 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues.

SECTION 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes (“Tax-Exempt Bonds”) which would cause such Bonds to be “arbitrage bonds” as that term is defined in Section 148 (or any successor provision thereto) of the Code or “private activity bonds” as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-

Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of each Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or the Developer (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. For purposes of this Section 9.34, (a) each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of

the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract,

and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

ARTICLE X
EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an “Event of Default” under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the “maintenance special assessments” levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. Foreclosure of Assessment Lien. Notwithstanding any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys’ fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as Trustee for the Owners of the applicable Series of Bonds within ninety (90) days after entry of a foreclosure judgment issued by a court of proper jurisdiction (or at such time as soon as possible thereafter) of the request therefor signed by the Trustee or the Majority Holders.

SECTION 10.04. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of such Series of Bonds agree to such redemption.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings; District to Seek Written Direction. The Majority Holders of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

The District hereby agrees that it shall seek to secure the written direction of the Trustee, acting at the direction of the Majority Owners of the applicable Series Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series Assessments relating to the Series Bonds Outstanding, or any rights of the Trustee under the Indenture. However, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the applicable Series Bonds Outstanding, to the proposed action if the District does not receive written direction from the Trustee within sixty (60) days following receipt by the Trustee of the written request for direction. The District may be seeking a request for consent broader than in a court proceeding.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including Counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating

thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.12 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI
THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

The Trustee further agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement to which it is a party for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for following the advice of Counsel or other professionals or responsible for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly, but not less than monthly, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term “defaults” for purposes of this Section and Section 11.07 being defined to include the events specified as “Events of Default” in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, verifiable electronic communication, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders of all Bonds then Outstanding may appoint a successor Trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed,

or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation or entity into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation or entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.16 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing

executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, or and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Except as provide in Section 11.04 hereof, upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such

predecessor Paying Agent or Registrar except for its rights under Section 11.04 hereof and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24. Successor by Merger or Consolidation. Any corporation into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation or entity resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation or entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

ARTICLE XII

SECTION 12.01. Acts of Bondholders; Evidence of Ownership of Bonds. Any action to be taken by Bondholders may be evidenced by one or more concurrent written instruments of similar tenor signed or executed by such Bondholders in person or by an agent appointed in writing. The fact and date of the execution by any person of any such instrument may be provided by acknowledgment before a notary public or other officer empowered to take acknowledgments or by an affidavit of a witness to such execution. Any action by the Owner of any Bond shall bind all future Owners of the same Bond in respect of anything done or suffered by the Issuer, Trustee, Paying Agent or Registrar in pursuance thereof.

[END OF ARTICLE XII]

ARTICLE XIII
AMENDMENTS AND SUPPLEMENTS

SECTION 13.01. Amendments and Supplements Without Bondholders' Consent. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

(b) for any purpose not inconsistent with the terms of the related Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the related Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;

(c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any Project to the State, the County, or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders; and

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of Counsel to the Issuer, such changes either (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

SECTION 13.02. Amendments With Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Owners of all Outstanding Bonds in the case of the Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Bonds to be so amended.

SECTION 13.03. Trustee Authorized to Join in Amendments and Supplements; Reliance on Counsel. The Trustee is authorized to join in the execution and delivery of any Supplemental Indenture or amendment permitted by this Article XIII and in so doing may rely on a written opinion of Counsel that such Supplemental Indenture or amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement

have been done. If such amendment relates to a Series of Bonds which are Tax-Exempt Bonds, the Issuer shall, upon request of the Trustee, cause there to be delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment will not adversely affect the tax status of such Tax-Exempt Bonds. The Trustee shall not be obligated to enter into any Supplemental Indenture or amendment that imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities hereunder.

[END OF ARTICLE XIII]

ARTICLE XIV DEFESANCE

SECTION 14.01. Defeasance. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the “Escrow Agent”) moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys, remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer, but only to the extent the Issuer has agreed to pay the same on or before the defeasance of the Bonds, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds and Accounts established under the Indenture (other than the Rebate Fund or any Accounts therein, unless all rebate liability has been satisfied as determined by the Issuer) shall be defeased and discharged, and the Trustee, on demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Series Funds and Accounts (other than the Rebate Fund) upon the defeasance in whole of all of the Bonds of a Series.

SECTION 14.02. Deposit of Funds for Payment of Bonds. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the Escrow Agent a verification from a firm of independent certified public accountants stating that the principal of and interest on the

Defeasance Securities, together with the stated amount of any cash remaining on deposit with the Escrow Agent, will be sufficient without reinvestment to pay the remaining principal of, redemption premium, if any, and interest on such defeased Bonds.

Money so deposited with the Escrow Agent which remains unclaimed three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of the Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Escrow Agent, before making payment to the Issuer, may, at the expense of and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

**ARTICLE XV
MISCELLANEOUS PROVISIONS**

SECTION 15.01. Limitations on Recourse. The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date (except as otherwise provided in a Supplemental Indenture), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of the Section 9.08 of the Indenture; (ii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other excluded fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iii) if made applicable in a Supplemental Indenture, from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (iv) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; [(v) from moneys, if any, on deposit in the Bond Redemption Fund following condemnation or the sale of any portion of the District Lands benefited by the Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to the Indenture to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable;] or (vi) either prior to the Completion Date or after the Completion Date, as the case may be, from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and on such date interest shall

cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute

owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

ARTICLE III
REDEMPTION OF SERIES 2022 BONDS

SECTION 3.01. Redemption Dates and Prices. The Series 2022 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2022 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2022 Bonds or portions of the Series 2022 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. Partial redemptions of Series 2022 Bonds shall be made in such a manner that the remaining Series 2022 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2022 Bond.

The Series 2022 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2022 Bonds shall be made on the dates specified below.

(a) Optional Redemption. The Series 2022 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20XX (less than all Series 2022 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2022 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2022 Optional Redemption Subaccount of the Series 2022 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2022 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2022 Bonds is substantially level.

(b) Extraordinary Mandatory Redemption in Whole or in Part. The Series 2022 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2022 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2022 Prepayment Principal deposited into the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account (taking into account the credit from the Series 2022 Reserve Account pursuant to Section 4.05 hereof) following the Prepayment in whole or in part of the Assessment Area One Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05(a) of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2022 Funds, Accounts and Subaccounts (other than the Series 2022 Rebate Fund, the Series 2022 Costs of Issuance Account and the Series 2022 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2022 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2022 Acquisition and Construction Account not otherwise reserved to complete the 2022 Project (including any amounts transferred from the Series 2022 Reserve Account) all of which have been transferred to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

(c) Mandatory Sinking Fund Redemption. The Series 2022 Bonds maturing on May 1, 20XX are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2022 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption or purchase of Series 2022 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2022 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2022 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2022 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 3.02. Notice of Redemption. When required to redeem Series 2022 Bonds under any provision of this First Supplemental Indenture or directed to redeem Series 2022 Bonds by the Issuer, the Trustee shall give or cause to be given to Owners of the Series 2022 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS, ACCOUNTS AND SUBACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SPECIAL ASSESSMENT LIENS

SECTION 4.01. Establishment of Certain Funds, Accounts and Subaccounts.

(a) The Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Acquisition and Construction Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, together with any moneys transferred to the Series 2022 Acquisition and Construction Account pursuant to the provisions of this First Supplemental Indenture, and such moneys in the Series 2022 Acquisition and Construction Account shall be applied as set forth in Section 5.01 of the Master Indenture, this Section 4.01(a) and the Acquisition Agreement. Subject to the provisions of Section 4.01(f) hereof, any moneys remaining in the Series 2022 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions, except for any moneys reserved therein for the payment of any costs of the 2022 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the Issuer accepting the 2022 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account. Subject to the provisions of Section 4.01(f) hereof, the Series 2022 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Acquisition and Construction Account and pay such moneys to the Person or Persons such requisition so directs. Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the “Series 2022 Costs of Issuance Account.” Net proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Indenture. Upon presentment by the District Manager or the Issuer to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2022 Costs of Issuance Account to pay the costs of issuing the Series 2022 Bonds. Six months after the issuance of the Series 2022 Bonds, any moneys remaining in the Series 2022 Costs of Issuance Account in excess of the amount requested to be disbursed by the Issuer shall be deposited into the Series 2022 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Series 2022 Bonds shall be paid from excess Series 2022 Pledged Revenues on deposit in the Series 2022 Revenue Account pursuant to paragraph SEVENTH of Section 4.02 hereof. When there are no further moneys therein, the Series 2022 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the “Series 2022 Revenue Account.”

Assessment Area One Special Assessments and any other amounts required to be deposited therein (except for Prepayments of Assessment Area One Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2022 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2022 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Indenture.

(c) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Principal Account.” Moneys shall be deposited into the Series 2022 Principal Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture, and applied for the purposes provided therein.

(d) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the “Series 2022 Interest Account.” Moneys deposited into the Series 2022 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Indenture, shall be applied for the purposes provided therein.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish another separate Account within the Debt Service Fund designated as the “Series 2022 Sinking Fund Account.” Moneys shall be deposited into the Series 2022 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Indenture and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Indenture.

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the “Series 2022 Reserve Account.” Proceeds of the Series 2022 Bonds shall be deposited into the Series 2022 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2022 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this First Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2022 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2022 Bonds caused by investment earnings prior to the Completion Date to the Series 2022 Acquisition and Construction Account and after the Completion Date to the Series 2022 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2022 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2022 Bonds to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area One Special Assessments and applied to redeem a portion of the Series 2022 Bonds is less than the principal amount of Series 2022 Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Assessment Area One Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2022 Prepayment Principal due by the amount of money in the Series 2022 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2022 Reserve Account shall be transferred by the Trustee to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2022 Reserve Account to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2022 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2022 Reserve Account as described below to the Series 2022 Acquisition and Construction Account and pay such amount deposited in the Series 2022 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2022 Project that were not paid from moneys initially deposited in the Series 2022 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2022 Reserve Account to the Series 2022 Acquisition and Construction Account shall be deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2022 Reserve Requirement, the Trustee shall without further direction reduce the Series 2022 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2022 Bonds as calculated by the District. The excess amount in the Series 2022 Reserve Account shall be transferred to the Series 2022 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Trustee shall calculate the applicable Reserve Requirement and apply any excess in the Series 2022 Reserve Account toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2022 Bond Redemption Account" and within such Account, a "Series 2022 General Redemption Subaccount," a "Series 2022 Optional Redemption Subaccount," and a "Series 2022

Prepayment Subaccount.” Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2022 Bonds, moneys to be deposited into the Series 2022 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2022 General Redemption Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2022 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account (including all earnings on investments held in such Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2022 Bonds equal to the amount of money transferred to the Series 2022 Prepayment Subaccount of the Series 2022 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2022 Rebate Fund designated as the “Series 2022 Rebate Fund.” Moneys shall be deposited into the Series 2022 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.02 SEVENTH herein and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2022 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2022 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2022 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2022 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2022, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2023, to the Series 2022 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2022 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2022 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20XX, to the Series 2022 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds subject to sinking fund

redemption on such May 1, less any amounts on deposit in the Series 2022 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Series 2022 Bonds, to the Series 2022 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2022 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2022 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2022 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2022 Interest Account, the amount necessary to pay interest on the Series 2022 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2022 Bonds remain Outstanding, to the Series 2022 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2022 Reserve Requirement for the Series 2022 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2022 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2022 Bonds and next, any balance in the Series 2022 Revenue Account shall remain on deposit in such Series 2022 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2022 Rebate Fund , in which case, the Issuer shall direct the Trustee to make such deposit thereto.

SECTION 4.03. Power to Issue Series 2022 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2022 Bonds, to execute and deliver the Indenture and to pledge the Series 2022 Pledged Revenues for the benefit of the Series 2022 Bonds to the extent set forth herein. The Series 2022 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2022 Bonds. The Series 2022 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2022 Bonds under the Indenture against all claims and demands of all persons whomsoever.

SECTION 4.04. 2022 Project to Conform to Consulting Engineers Report. Upon the issuance of the Series 2022 Bonds, the Issuer will promptly proceed to construct or acquire the 2022 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

SECTION 4.05. Prepayments; Removal of the Series 2022 Special Assessment Liens.

(a) At any time any owner of property within the District, which Property is subject to the Assessment Area One Special Assessments may, at its option, or as a result of acceleration of the Assessment Area One Special Assessments because of non-payment thereof, or as a result of a true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Assessment Area One Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2022 Special Assessment, which shall constitute Series 2022 Prepayment Principal, plus, accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Special Assessment owned by such owner.

(b) Upon receipt of Series 2022 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the District that the Series 2022 Special Assessment has been paid in whole or in part and that such Series 2022 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Prepayments. The Trustee shall calculate the amount available for the extraordinary mandatory redemption of the applicable Series 2022 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days prior to each Quarterly Redemption Date and will withdraw money from the Series 2022 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the District. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2022 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2022 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2022 Reserve Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

[END OF ARTICLE IV]

ARTICLE V
COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Assessment Area One Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Assessment Area One Special Assessments relating to the acquisition and construction of the 2022 Project through the Uniform Method of Collection (the “Uniform Method”) afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Assessment Area One Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or for any platted lands owned by the Developer or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Assessment Area One Special Assessments, and to levy the Assessment Area One Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2022 Bonds when due. All Assessment Area One Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds, Accounts and Subaccounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2022 Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Assessment Area One Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by any other Special Assessments on assessable lands within Assessment Area One within the District that are subject to the Assessment Area One Special Assessments unless the Assessment Area One Special Assessments have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Trustee and the Issuer may conclusively rely on a written certificate from the District Manager regarding the occurrence of the Assessment Area One Special Assessments being Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied within Assessment Area One within the District, other than the Assessment Area One Special Assessments, at any time upon the written consent of the Majority Holders or at any time

without any consent such Special Assessments are levied on any lands within the District which are not subject to the Assessment Area One Special Assessments.

SECTION 5.05. Acknowledgement Regarding Series 2022 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2022 Bonds are payable solely from the Series 2022 Pledged Revenues. Except as provided below, anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, upon the occurrence of an Event of Default with respect to the Series 2022 Bonds, (i) the Series 2022 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2022 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) the Series 2022 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2022 Project or otherwise) without the consent of the Majority Holders, and (iii) the Series 2022 Pledged Revenues may be used by the Trustee, at the direction, or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture.

During the continuance of an Event of Default specified in Subsections 10.02(a) or 10.02(b) of the Master Indenture (a “Payment Related Default”), disbursements from the Series 2022 Acquisition and Construction Account shall be made only with the consent of the Majority Holders except as provided below. During the continuance of a Payment Related Default, the Majority Holders shall have the right to provide direction to the Issuer to terminate, suspend, or proceed under any contracts for construction of the 2022 Project entered into prior to the occurrence of such Payment Related Default. The Majority Holders may provide such direction at any time during the continuance of such Payment Related Default and shall not be deemed to have waived their right to do so through inaction or delay and may change such direction from time to time.

(i) Until such time as the Majority Holders provide such direction to the Issuer, disbursements may be made without the consent of the Majority Holders for Costs incurred by the Issuer under construction contracts entered into by the Issuer prior to the occurrence of such Payment Related Default.

(ii) Upon direction by the Majority Holders to proceed under any such contract(s), no consent of the Majority Holders shall be required for disbursements for Costs incurred by the Issuer thereunder until the date of suspension or termination of such contract directed by the Majority Holders described in subparagraph (iii) below.

Except as otherwise provided in the Indenture, if less than all of the Bonds subject to redemption shall be called for redemption, the particular such Bonds or portions of such Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the Indenture.

Notice of each redemption of the Bonds is required to be mailed by the Trustee by class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption date to each Registered Owner of the Bonds to be redeemed at the address of such Registered Owner recorded on the bond register maintained by the Registrar. Further notice of redemption shall be given by the Trustee to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed. Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.
